

Put a Veteran into Business

Let him create a new industry representing **Guaranteed Early Reading Skills Delivery before Kindergarten**

His commitment and experience is especially suited to this. “Save” the current generation of at risk children

Development and Growth with Economic Value Added

Increasing Brain Capacity in the Community will Add Value to Your Streets

Because! The

local merchant and service providers will give free leverage of their advertising that they must do anyway

Please Take this action

Start to advertise your best call to action in support of the public service message to **Mom** with **USA VALUES LLC** as a part of the Business Network.

You may not have business to consumer needs, but we need your business to business backbone to connect with the message. It costs you only \$360 per year to be a part of the business base growth and development on the web. <http://www.usavalues-character.com/sponsorsb.shtml> Honestly, it will take your stated influence with employees and others to complete the business statement of what is first thing first. We look forward to explaining your part in creating new money for this delivery without increasing the taxes.

Help **USA VALUES, Inc.**
Send this public service message to mom.

A Public Service Message to Mom:
Delivery of early reading skills is a Critical Gift. Without this gift, children are behind before they start kindergarten.

Deliver Early Reading Skills
RINGING ADVANTAGES

This message to mom is sent in full page or flyer format (in the process of business to consumer advertising) at least once per month
